

INDUSTRY DAY FORUM 2 – NEW ORLEANS, LA – DATES TBD

The U.S. Army Corps of Engineers, New Orleans District, will host its second two day Industry Forum at the New Orleans Sheraton Hotel located at 500 Canal Street, (504) 525-2500. The postponed dates of the forum have yet to be determined but will be sent in an updated announcement as soon as they are finalized.

This announcement may also be viewed and printed from the New Orleans District website at <http://www.mvn.usace.army.mil/> You can then click on the “Contracts” tab and then the paragraph at the top that starts, “Attention: The New Orleans District will be hosting...”

This forum will be to discuss Construction Contracts and Architect and Engineering projects to be potentially advertised and awarded within the next 3-4 months. Projects include levee construction and repair, pump station renovation and repair, floodwall construction, and other hurricane protection type work in general.

The first day will provide information on the overall hurricane protection system in southeast Louisiana being developed by the U.S. Army Corps of Engineers – New Orleans District (MVN) and Hurricane Protection Office (HPO). There will be presentations during the afternoon session by the senior project managers to discuss specific information such as upcoming project schedules, features, locations, etc. The presentations will focus on all levee, floodwall, floodgate and large structures projects for the hurricane protection system in southeast Louisiana as well as the Districts more routine Civil Works and O&M type projects. There will also be information presented regarding projects relating to interior drainage improvements (SELA) in all New Orleans area parishes.

There will only be a morning session on the second day that will provide information on the current status of AE contracts; teaming or partnering agreements such as the Mentor Protégé program, Joint Ventures Agreements and Prime/Sub relationships; as well as an update on the upcoming Recovery Field Office (RFO) contracts such as debris.

Agenda is subject to change without notification.

Please complete the attached registration form and return to the New Orleans District Office of Small Business Programs by emailing to mvndustryday@yahoo.com Questions concerning the Industry Day Forum may also be directed to this same email address.
